New Business

This is the 75th Anniversary of the Denver Coin Club. We need to decide on a commemorative token: either silver, copper, wooden nickel or bi-metallic token.

We do need two volunteers for the Refreshment Committee as Pearl Johnson & Jenina Dean have done it for a long time & wish to pass the torch to someone else.

We voted for the Al Mucklebust Numismatic Ambassador Award.

Those nominated were:

Joe Henry
Howard Hinsey
Tad Wolgamott
John Dean

The results will be announced at the February Meeting.
