New Business

Bob Gilmore suggested that the club continue the tradition that Al Muklebust started by bringing in a frozen turkey to our Christmas meeting and have the members guess the weight. The person who comes the closest to the weight wins the turkey. The club approved Bob's motion and he will pick up the turkey.

Next month we will have our Christmas party. As usual the club will provide chicken and pizza and all should bring a dish to pass. We will play bingo, too. Theo will bring in some coins to donate and other members are also encouraged to do so.

Theo brought up the fact that the club has three display cases. We could possibly rent these to club members or loan these to club members. Theo wants to use these cases this weekend and has donated \$45.00 to the club for this purpose. The officers will discuss this and come up with a plan to present for the membership. In the meantime, Theo's request is approved.

Thanks to all the members who helped out at the club table at the Jerry Morgan show at the Western Stock Complex.
