

DENVER COIN CLUB

Meeting Minutes

March 31, 2011

President Theo Gould called meeting to order at 7:05 PM.

Members present: 52+

New Members: Bill Mulroy

Guests present: Alan Whitehead, Dennis Bryan, Dawson Dean, and Erica Dean

New Business:

Ron Smith and Preston Rell have agreed to be Denver Coin Club Board Members at Large. Please feel free to talk to them as well as the elected board members about concerns and recommendations about the Denver Coin Club. Thanks for their support.

The tour of the US Mint will be conducted in late July 2011 after the ANA Summer Seminar. More info will be presented at the April 2011 meeting.

Joe Coggon helped with the inaugural meeting of the Bishop Elementary School coin club. The new club already has 35 members signed up for the club.

Congratulations to Alex Johnson, Andrew Osieczanek, and Josh Willis as these young numismatists were awarded scholarships for the ANA Summer Seminar. They will need to update the club later this summer about their experiences at the seminar.

Programs: Chris Marchase gave a presentation on Leshar Referendum Dollars. The talk started with a brief biography of Joseph Leshar and then detailed the various types of dollars that were produced from about 1900 through 1901 in Denver, CO. Chris has been very active in keeping a registry of known Leshar dollars and although about 3000 coins were thought to have been struck, only about 1800 are known to exist and less than 600 coins are in the registry.
